## We have carefully chosen...

**Coffee** from some of the best micro roasters sourcing beans from some of the worlds best specialty coffee producers.

**Milk** from a local farm called Kåhög, they have happy cows for the perfect milk, fresh and full fat 4.0 – 4.3%.

**Oat** milk from Havredals, it's smooth and currently the best alternative milk for high quality coffee in our opinion.

# OTHER DRINKS
